Author's Notes:
This came to me after hearing Tony hurt his back during the US tour. Thanks to Lia for the look over :)

"Oh god, oh that feels so good. Mmmm…."

Elias stared at the closed door, Tony's seductive voice drifting out.

"Oh…oh Henkka, you're so good…."

Elias' eyes bugged out, heart aching inside.

"Mmmm, oh right there…oh…oh yeah…."

The guitarist yanked open the door, a frown covering his face.

Henkka glanced up and blushed. "Elias, it's not what you think."

Tony's eyes opened. "Elias?"

Elias stood in the doorway, jaw slackened. "What...what the hell?"

On the table was Tony laying face down, naked and slick with oil.

Tony snorted. "Wait your turn Elias, it's my massage time now."
